

CHILDCARE

...IN THE HOME!

Introducing Bianca....

Botany Downs, Auckland

Hi! My name is Bianca and I am a mummy of 2 gorgeous kiddies :)

I am a qualified teacher after completing my training in South Africa.

My qualification is currently with the NZQA being assessed.

I am very passionate about children and love to see them learn as they play.

I believe every child is unique and should be treated accordingly.

Each child in my care, and in my home, is treated as if they are my own in a homely loving & fun environment.

We have fun filled days where we explore and try new things.

I participate in the Connections In The Home weekly programme events including Crazy Craft and Indoor Action Sports as well as enjoying beach walks, trips to local parks & playgrounds and fun days at home enjoying our indoor and outdoor spaces!

I hold a current First Aid certificate in Child First Aid which I completed in October 2017 with St Johns in NZ.

I look forward to meeting with you soon!
